

July 2026

Birchams Grange Newsletter

GLORIOUS GARDENING

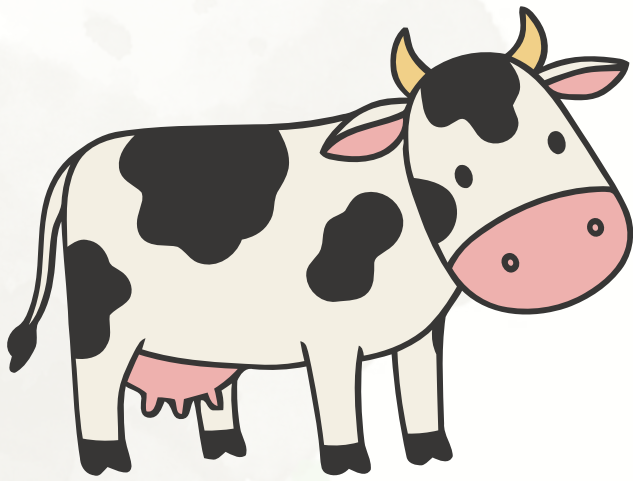

Even though it's been hot, we've spent plenty of time in the garden. Being at one with nature and growing vegetables and herbs are some of our favourite pastimes. The fruits of our labour are triumphantly potted in, and around the greenhouse!

SPINNING SPECTACLE

We had a wonderful session with Christie and her spinning wheel. The woolcraft was incredibly fun and easy to get the hang of....Thank you Christie, we're looking forward to your next visit!

MILKING MADNESS!

Once again, World Milk Day presented an opportunity to get the dressing up box out!

We had fun drinking milk, celebrating our local farmers and milking our very own cow!

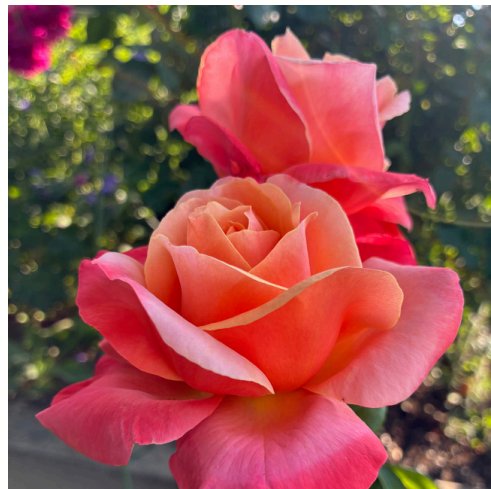

NATURE NOTES

July is peak butterfly season and you might even spot day-flying moths like the Cinnabar.

We are blessed with copious amounts of dragonflies and we've also spotted nesting Swifts, House Martins and Swallows.

Our cottage gardens are replete with colour and the scent of Lavender is filling the air!

NEW BALLS PLEASE!

TRY OUR BRAINTEASING WIMBLEDON QUIZ

1. How many Wimbledon Singles Titles has Serena Williams won?
2. Who is the current Royal Patron of Wimbledon?
3. Which sport did they originally play at Wimbledon?
4. Which British woman won the Women's Singles in 1977?
5. To the nearest thousand, how many spectators can fit on Centre Court?
